Nickelodeon invites fans to a party with Carly and Tori

By Jaqueline Cutler

In its first crossover special, Nickelodeon pairs its two top human stars — this is SpongeBob's channel, after all — in "iParty With Victorious" Saturday, June 11.

The cable channel describes this as an event, which in many ways it is.

In the film, the two teen stars, Miranda Cosgrove as Carly and Victoria Justice as Tori, are double-crossed by a high-school lothario. Fans of these shows know that Carly lives in Seattle and Tori in Los Angeles, but that geographical problem is logically solved.

Steven (Cameron Stewart) surprises Carly at school and gives her a "one-of-a-kind" charm bracelet, then has to catch a plane. His parents are divorced, so Steven divides his time between Seattle and Los Angeles. Steven is handsome and affable; even Carly's friends Sam and Freddie (Jennette McCurdy, Nathan Kress) like him.

Soon we see Steven with Tori, arm draped around her. Tori's buddy, Robbie (Matthew Bennett), snaps their photo, which automatically uploads to the Internet.

Naturally Carly will find out but refuses to jump to conclusions. Her pals and

wacky brother, Spencer (Jerry Trainor), will support her. As usual, Carly's sweet demeanor guides the unpleasant matter to a sane conclusion.

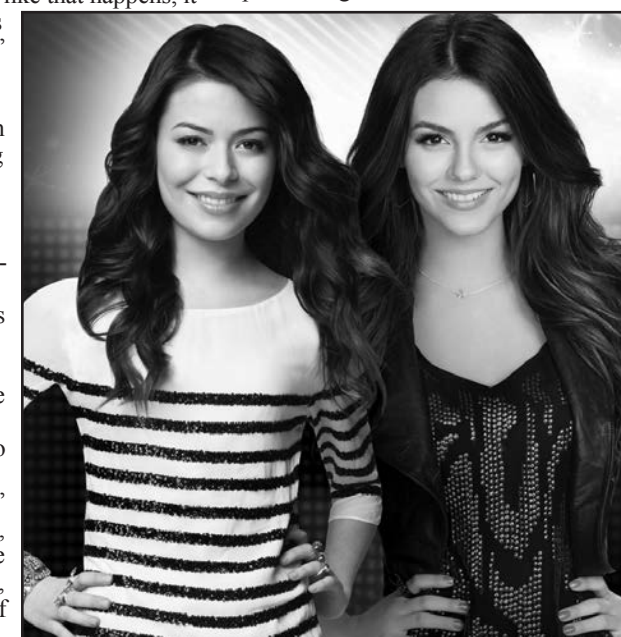

"When a situation like that happens, it is important for girls to stick together," Justice says.

The girls do stick together, and the film reinforces that doing the right thing is the way to go.

"I have found some of the most successful stories I do (are) when characters work together to achieve a certain goal. When Drake and Josh come together, people love to see them vanquish a common enemy," says Dan Schneider, creator, executive producer and writer, referring to another of his hits, "Drake & Josh." "I have noticed the same thing on

'Victorious.' They love it when the group comes together.

"Here you have stars of 'iCarly' and 'Victorious' and find out they both have the same boyfriend," he continues. "They are deep enough and smart enough in this movie to know neither of them did anything wrong. And it is really nice to see them team up and bring about his downfall."

Miranda Cosgrove (left) and Victoria Justice star in "iParty With Victorious" Saturday on Nickelodeon.

HOROSCOPES **ARIES - Mar 21/Apr 20** Material things won't make you happy this week, Aries. It's time to foster more secure relationships with the people close to you. This is the only way to cheer up.

TAURUS - Apr 21/May 21 Taurus, expect a few telling moments when your hidden side comes out this week. You may surprise a few people with this side of you.

GEMINI - May 22/June 21 Gemini, a friend or relative might have overstayed his or her welcome. Let this person know in a tactful way that it is time to move on to greener pastures.

CANCER - Jun 22/Jul 22 Cancer, people at work know nothing about your private life and that's just how you prefer to keep it. But you may need to open up to someone this week to prove a point.

LEO - Jul 23/Aug 23 Leo, no matter how many times people attempt to knock you down, you simply bounce right back. It will take a lot of effort to stop you once you have your mind set.

VIRGO - Aug 24/Sept 22 Virgo, a surprise is coming your way and it may not be pleasant. You might want to keep your suitcases packed because a sudden move could be on the horizon.

LIBRA - Sept 23/Oct 23 Libra, you may have finally found the job that fits you perfectly. There are only good opportunities for advancement now that big company news has come your way.

SCORPIO - Oct 24/Nov 22 Scorpio, just when you thought certain

projects would be budget-busters, you experience some unexpected news about your finances. Now you may be able to splurge a little.

SAGITTARIUS - Nov 23/Dec 21 Sagittarius, the real estate market has not been going in your favor, but things are about to change. Move on things quickly if you want the best results.

CAPRICORN - Dec 22/Jan 20 Capricorn, matters of the heart need to be temporarily set aside because you have other pressing requirements. Just don't neglect family life for too long.

AQUARIUS - Jan 21/Feb 18 Aquarius, you can't expect everything you want to simply fall into your lap. You will have to work for things and make some concessions, like being more flexible.

PISCES - Feb 19/Mar 20 You could be in an adventurous mood, Pisces. Maybe you want to take a few friends along on a secret adventure on the weekend.

WOLFGANG PUCK'S KITCHEN

Bread Pudding for Berry Season

By Wolfgang Puck

Once the pudding has been baked, you have even more choices. As good as it is hot from the oven, it's also delicious lukewarm or cold, making it an even better warm-weather dessert. And, of course, whatever temperature I serve it at, I think it's always better with a big scoop of vanilla ice cream.

Berry bread pudding a la mode: It's hard to imagine a dessert that sounds more like the taste of summer than that!

BREAD PUDDING WITH MIXED BERRIES AND CHOCOLATE Serves 8

5 cups cubed stale brioche, challah, croissants, or crustless French bread

Butter-flavored or plain nonstick cooking spray

3 cups whole milk

1 cup heavy cream

1 cup sugar

1 teaspoon pure vanilla extract

4 large cage-free eggs

4 large cage-free egg yolks

Pinch of salt

3/4 cup coarsely chopped bittersweet chocolate

1-1/2 cups mixed ripe berries, such as raspberries, blackberries, boysenberries, or blueberries

Preheat the oven to 350 degrees F. Spread the bread cubes on a baking sheet and place in the oven. Toast until golden brown, 8 to 10 minutes. Remove the cubes from the oven, but leave the oven on.

Generously spray a 12-inch round ovenproof pan or a 3-quart baking dish with butterflavored or plain nonstick cooking spray. Transfer the bread cubes to the baking dish, spreading them evenly.

In a saucepan, combine the milk, cream, and sugar. Bring to a simmer over medium heat, stirring to dissolve the sugar. Stir in the vanilla. Remove from the heat.

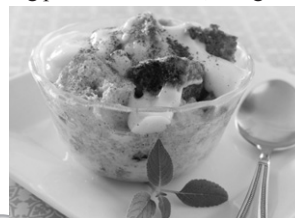

In a mixing bowl, whisk together the eggs and egg yolks. Whisk continuously, slowly pouring 1/2 cup of the hot milk mixture into the egg yolks. Then, while continuously whisking the milk mixture still in the pan, carefully pour the egg mixture into the pan, using a rubber spatula to scrape all of the egg mixture from the bowl.

Pour this custard mixture over the bread cubes.

Let sit at room temperature for 5 minutes. Then, with a spatula or the back of a large spoon, gently press the bread down into the custard mixture. Evenly sprinkle on the chocolate chunks and fold them gently into the bread mixture. Evenly spread the berries on top.

Place the baking dish inside a larger roasting pan. Protecting your hand with an oven mitt, partly pull out an oven shelf and place the roasting pan on it. Using a large measuring cup with a pouring lip, pour water into the roasting pan to come about halfway up the side of the baking dish; then, slide the shelf into the oven, taking care to avoid splashing, and close the oven.

Bake until the bread pudding is set and the top is just beginning to color, about 45 minutes. Remove the roasting pan from the oven, being very careful to avoid splashing the hot water. Set the pudding aside. Serve hot, warm, or at room temperature.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

BEFORE AND AFTER IN THE SOAPS

By Toby Goldstein

ALL MY CHILDREN: Already suspicious of Jane, who is trying to act like Erica, David caught her drinking and latched on to an opportunity for blackmail. After Jane had an allergic reaction to "her" favorite meal, David saw the name Jane Campbell on the allergy pill bottle. While Tad's feelings for Cara grew stronger, Jake's suppressed desire for Cara affected his life with Amanda. **Coming:** Scott and JR's animosity gets worse. **BOLD AND BEAUTIFUL:** Liam was fed up with the miscommunication between him and Hope and went to see her rather than rely on texting. When they compared notes, the duo realized that someone had intercepted their texts. Liam reduced Amber to tears when he told her that he wants nothing more to do with her or her mother. **Coming:** Hope and Liam look forward to a brighter future together. **DAYS OF OUR LIVES:** Nicole ordered Taylor to leave town, or else she'll destroy EJ. Believing that the woman he wants is gone, EJ was filled with rage and told Stefano he'll get rid of the Rafe imposter (unaware it's the real Rafe who's back).

When a gun-toting EJ went to the pier, he was ecstatic to find Taylor, who told him she only pretended to leave, and the two-some finally made love. **Coming:** Carly tries to keep her dependence on the pills at bay. **GENERAL HOSPITAL:** After Johnny offered Michael a job in the Zachara organization, he went home to find Anthony killing the hit woman, which Anthony had planned to do. Anthony then planted the dead woman's body in Sonny's office. Distressed to learn that Luke left rehab the day he checked in, Lulu intended to track down her father. **Coming:** Shawn confides in Carly about his past. **GOSSIP GIRL:** In a rebroadcast of the episode originally aired on September 20, Blair fell under the spell of Louis, a handsome young man who she suspected might be royalty. Concerned over not having heard from Chuck for months, Lily asked Serena to help her find her nephew, although no one knows that Chuck was starting a new life with the support of Eva. **Coming:** Eva's involvement with Chuck makes her an immedi-

ate threat. **ONE LIFE TO LIVE:** Initially thrilled when Matthew survived the surgery, Bo and Nora later received devastating news about Matthew's prognosis. Nate was filled with guilt over his possible role in causing Matthew's dire condition. As Clint's heart deteriorated, he was moved to the top of the transplant list. **Coming:** Nora and Bo must make a heartbreaking decision. **SECRET LIFE OF THE AMERICAN TEENAGER:** In a double "wedding" episode, on their wedding day, Ben and Adrian each had doubts about getting married. Katelyn put up a banner at school to celebrate Ben and Adrian's marriage but didn't know the truth about what actually happened. With George continually meddling in his daughter's lives, Amy and Ashley urged their dad to start dating again. **Coming:** Adrian fears giving birth. **YOUNG AND RESTLESS:** Nick went to the crash site in New Mexico with a forensic examiner. Adam couldn't bring himself to go and instead visited a local festival. At the festival with Sam and Piper, Sharon froze when she saw Adam and eavesdropped as Bob, the examiner, arrived and confirmed to Adam that Sharon's death will be ruled an accident. **Coming:** Sharon makes a decision about her new life.
